AGENDA

4PM Thursday July 30, 2026

Desert Foothills Library

38443 N. Schoolhouse Rd. Cave Creek, AZ 85331

- 4:00 PM **Doors Open, Social time, food and refreshments.**
- 4:30 PM Introduction of Guest Speaker from the City of Phoenix Water Services Department:
- The City of Phoenix Water Services Department will provide an overview of the **Pure Water Phoenix program and the Advanced Water Purification facility** currently under construction as part of the Cave Creek Water Reclamation Plant Rehabilitation project. **Please note this facility is in Phoenix, on Cave Creek Road, between Pinnacle Peak Road and Deer Valley Road.**
- The presentation will explain how Advanced Water Purification uses multiple treatment steps to further clean and purify recycled water, creating a reliable water resource that can support the region's long-term sustainability goals.
- Attendees will learn more about the project, why it matters, and how it fits into Phoenix's and the Town of Cave Creek's broader water future.
- There will be a Q&A session immediately following the presentation.
- 5:45 PM: Adjourn.
- 5:55 PM: Last person out the door.

No Meetings in August

See you in September—more to come
